YOU SHOULD BUY "BLUE GRASS TOOLS"
"The Nation's Standard of Quality"

"Quality"

Blue Grass Tools are made of the very highest grade materials suitable to the uses and requirements of the individual items in the line. They are manufactured in the best equipped factories in this Country by skilled mechanics, specialists in their line, many of whom have spent their lives in the making and perfecting of fine tools. They are subjected to the most critical tests and inspections during the process of manufacture and to additional inspection before acceptance into our stock. Blue Grass tools are in fact "The Nation's Standard Of Quality"

"Finish"

In keeping with the highest quality possible Blue Grass Tools have only the highest finishes adding that unmistakable touch that announces, even to the layman; "here is a thoroughbred that any man should be proud to possess". Many important lines such as Axes, Hatchets, Hammers, etc., are furnished in several different finishes to suit individual taste, but all are of the same quality. Blue Grass Handles in Axes, Hatchets and Hammers are of Super quality specially selected second growth hickory, sand belted, waxed and polished

"Variety"

The Blue Grass line offers the merchant a greater variety of High Grade Tools than any factory brand in the market today. No single tool maker, makes near as complete a line and the merchant handling the Blue Grass line, can sell a mechanic or householder a more nearly complete line of tools than can be had under any other brand. A satisfied customer on one Blue Grass Tool is always a live prospect on many other items.

"Performance"

Blue Grass Tools have been giving complete satisfaction for more than sixty years, during which time millions of individual items have passed from the Stores of our customers into the hands of the users—many have passed from one generation to the next and are still giving complete satisfaction.

"Profit"

Almost invariably Blue Grass Tools are priced lower than the comparable qualities of factory or other brands. This saving in price is intended to give our Merchant Customers a higher average profit than is obtainable on other brands.

"Complete Satisfaction"

There is no Brand of Tools offering more in quality, finish, or service. None that offers a greater number of items to select from at prices that will show our customers a safer margin of profit and at the same time cost the user no more than the average good article.

"Protection"

We assure the merchant handling Blue Grass Tools that every piece is perfect in workmanship and material and will give complete satisfaction when used properly for the purpose intended. We cannot guarantee against failure due to abuse or mis-use, but will gladly replace any Blue Grass Tool that shows defective material or faulty workmanship.

"Reputation"

The reputation of the Belknap, Inc. built up during 130 years of constant growth and honorable service, stands behind every Blue Grass Tool.

BLUE GRASS
The Nation's Most Popular Nail Hammers

introduces

"ONE FORTY-SEVEN"

NEW Blue Grass fiberglass-handled hammers available in 5 models.
- Head forged from special analysis steel
- Full mirror polished - Crowned - Chamfered
- New design tough fiberglass handle
- Shock-absorbing cushion grip.

NEW "ONE FORTY-SEVEN" BLUE GRASS HAMMERS feature handle design of tough fiberglass with the style of hickory... the strength of steel!
Handles are permanently bonded to head. Non-slip cushion grip absorbs shocks and reduces fatigue.
Head scientifically heat-treated and tempered... balanced and correctly shaped to give maximum driving power. Crowned face prevents scarring of wood. Chamfered edge minimizes chipping. Claw bite pulls headless pins or 20D nails. Long curve of claw affords greatest leverage.

THE NATION'S MOST POPULAR NAIL HAMMERS
"FAMOUS FORTY-SEVEN," BLUE GRASS

Drop Forged Special Analysis Steel
Scientifically Heat-Treated and Tempered

Correctly balanced and shaped head gives maximum driving power. Crowned face prevents scarring of wood.

Precision claws are uniformly split to bite even the smallest nails.

Chrome-plated tubular steel handle is forced under pressure into the head. A steel pin, through head and shaft, holds head permanently tight.

Non-slip fiber composition grip, has special shock-absorbing qualities. Grip permanently bonded to shaft. Won't come loose, won't turn.

Drop Forged Special Analysis Steel
Scientifically Heat-Treated and Tempered

Correctly shaped and balanced head gives maximum driving power.

Crowned face prevents scarring of wood. Chamfered edge minimizes chipping. Claw bite pulls headless pins or 20D nails.

Long curve of claws affords greatest leverage. Eyes of hammer are forged with double taper on all four sides so that heads when driven have a positive grip on the handle at the center of the eye. The taper of the handle matches the taper of the eye, ensuring a very tight fit on all surfaces of the eye when the end of the handle is wedged.

Straight grain full octagon white hickory handles are put through a special treatment before driving which prevents any shrinkage of the wood in the eye, thus preventing the handles from becoming loose. Spring neck handle absorbs shock. Swell end grip insures perfect hand hold.

12 in shp ctn; wt each 2½ lbs.

MITRE BOXES
—BLUE GRASS—SAW INCLUDED

The same 5x28-inch, 11-point back saw that is used for the test cut is shipped with the miter box.

Zinc cast base—Effortless cuts—Jaw rides on self-lubricating sintered bronze bearings.

Guide mechanism adjusts to blades of any thickness.

Perfect vertical cuts—Saw guides can be adjusted to insure perfect vertical saw travel through the entire cut.

Accurate angle cuts and easy angle selection.

Angle selector guide mechanism can be reset to cut a perfect 90° angle.

Saw guides pivot and lock at all angles along easy-to-read scale.

Spring-loaded pointer stops guides at 7 most commonly used angles.

Base and pivot arm fully support the work at all angles.

Beautiful finish—Cuts—Work support bar pivots with angle selector which keeps the work level and insures clean, sharp, matching cuts.

Base of work placement—Each saw hanger must be hand tripped so saw cannot fall while work is being positioned.

611-259 T5-86123. Each $93 25
One in shp ctn; wt ctn 31 lbs.

MITRE BOXES
—BLUE GRASS—

Zinc Cast Base—Saw Included

Complete with 4x24 11-Point Back Saw with reusable saw blade protector.

Saw guides on 8 steel rollers that adjust for perfect saw alignment.

Saw guides are located 11½ inches apart to extreme accuracy.

Base and pivot arm fully support the work at all angles.

Depth stops accurately limit depth of any cut and protect saw from striking metal base.

The angle between the saw back and the saw can be reset to 90° for permanent accuracy.

Saw guides pivot and lock at all angles along an easy-to-read scale.

Spring-loaded pointer stops guides at seven commonly used angles.

Steel legs place cutting bed 4 inches above workbench.

Each saw hanger must be hand tripped so saw cannot fall while work is being positioned.

Top support and work bracket.

One in shp ctn; wt ctn 22 lbs.
Mitre Boxes

---BLUE GRASS---
Aluminum Cast Base

Heavy-duty, one-piece base and back is a casting for strength and durability. This frame is mounted on widespread fabricated feet for easy attachment to workbench. Miter box work surface is four inches above workbench for safety and easy operation.

Replaceable cutting board is mounted on the base top to protect the saw from striking the cast iron base. An adjustable work stop and work clamp assembly is included and can be used at either end of box. This holds the work and assists in making accurate repetitive cuts.

Cutting surface length 18 inches; width 4 1/2 inches. Any hand or mitre saw can be used.

611-327 T1-856263 Each $26.66
One in shop ctn; wt ctn 10 lbs.

PRUNING OR UTILITY SAWS
—BLUE GRASS—

Designed for easy, almost effortless pruning, this sturdy saw is made of extra-strong, tempered, tubular steel, weatherproof durable chrome finished frame. This saw is light in weight and has a comfortable hand grip for faster one-hand pruning. Also, it is very useful, as a utility saw, around the home, farm, shop and cottage.

Although the blade is kept tight by proper tension adjustment, it can be removed and replaced without special tools. The blade is made in Norway of the finest Swedish charcoal steel, taper ground, especially hardened and tempered. The teeth, filed to razor sharpness, cut on both forward and backward strokes.

BLUE GRASS DELUXE BLADES
WITH HARD CHROME FINISH STAYS SHARP UP TO 5 TIMES LONGER

Blue Grass Deluxe blades are made of the finest quality chrome nickel saw steel, hardened and tempered in electrically-controlled furnaces to insure toughness and correct hardness for long wear and sharpness. Blue Grass Deluxe blades are precision-ground and filed for trouble-free service. Hard chrome finish to prevent rust and stay sharp longer.

FOR HOME WORKSHOPS, CONTRACTORS, BUILDERS, LUMBER YARDS AND FACTORIES
WILL FIT MOST TABLE SAWS, ELECTRIC HAND SAWS AND RADIAL-ARM SAWS

HOLLOW GROUND PLANER for smooth finishing work

FLAT GROUND COMBINATION for rip and cross cutting

RIP for rip cutting

CROSSCUT for flooring

CHISEL TOOTH for fast ripping and cross cutting

THIN RIM PLYWOOD for smooth cutting cabinet work and plywood

FLAT GROUND PLYWOOD for smooth cross cutting of plywood

SPECIFY ARBOR SIZE WHEN ORDERING
SAW BLADES OR DADO SETS

BLUE GRASS 6 INCH DADO SETS
PRECISION-GROUND TOP QUALITY SAW STEEL

CARBIDE for cutting plastics, transite, wallboard, etc.

BLUE GRASS CARBIDE TIPPED BLADES.

HARD CHROME FINISH 8 TOOTH STYLE

Made of the finest saw steel, and teeth tipped with tungsten carbide, the hardest metal made.
New tooth design for maximum safety, projects slightly above the non-cutting edge.
Gives new safety and efficiency.
Cuts tough materials like Masonite, formica, plastics, transite, asbestos, aluminum siding, and roofing and all types of wood.
Do not use for cutting stone, or ferrous metals. Do not try to sharpen or have sharpened locally as special equipment and diamond wheels are needed. Return to Belknap, for servicing.

BELKNAP, INC.

LOUISVILLE

KENTUCKY, U.S.A.

Router Bits
—Blue Grass—

Made of high speed steel with hard chrome finish to prevent rust and corrosion. Cutting edges expertly ground for accuracy and long life. Each bit packed in plastic sleeve showing stock number, size and application.

Assortment consists of one each of the following Router Bits:
- T3-BG403 1/4-inch Straight (Single Flute)
- T3-BG408 1/4-inch Straight (Double Flute)
- T3-BG410 3/8-inch Straight (Single Flute)
- T3-BG412 3/8-inch Straight (Double Flute)
- T3-BG416 3/8-inch Straight (Double Flute)
- T3-BG422 1/2-inch Veining Bit
- T3-BG423 1/2-inch Veining Bit
- T3-BG425 1/2-inch Veining Bit
- T3-BG427 1/2-inch Corner Round Bit
- T3-BG429 1/2-inch Corner Round Bit
- T3-BG431 3/4-inch Corner Round Bit
- T3-BG435 1/2-inch V Groove Cutter
- T3-BG437 1/2-inch Hinge Mortising Bit
- T3-BG442 5/8-inch Dovetailing Bit
- T3-BG443 1/2-inch Beading Bit
- T3-BG450 1/2-inch Core Box Bit
- T3-BG454 1/2-inch Roman Ogee
- T3-BG458 3/4-inch Rabbeting Bit (5/8 in.)
- T3-BG465 1/2-inch Combination Panel Cutter
- T3-BG470—Carbide Tipped Comb Straight and Bevel Trim
- T3-BG472—Flushtrim—Ballbearing

CARBIDE TIPPED FLUSHTRIM BALL BEARING
For flush trimming of veneered and Formica overlays. Carbide tipped with ball bearing guide to prevent marring of work.
133-314 T3-BG472......Each $6 57
5 in shelf box; wt box 28 ozs.

REPLACEMENT BEARING
For T3-BG472 and T3-BG473 Router Bits.
339-416 T3-BG490......Each $2 24
One in shelf box.

CARBIDE SINGLE FLUTE STRAIGHT BIT
1/4"-inch bit.
191-494 T3-BG483......Each $4 43
5 in shelf box.
196-550 T3-BG485......Each 5 10
5 in shelf box.
196-865 T3-BG487......Each 5 70
5 in shelf box.

211-680 T3-BG489......Each 6 46
5 in shelf box.
326-561 T3-BG479......Each 8 87
5 in shelf box.

CARBIDE TRIMMING BIT
Two Flute Carbide Tipped 22° Bevel, Veneer and Formica Trimmer
Ball bearing pilot. 1/4"-inch shank.
211-763 T3-BG473......Each $6 57
5 in shelf box.

Bevel)
T3-BG483 Carbide 1/4-inch Strt Face
T3-BG487 Carbide 5/8-inch Strt Face
T3-BG489 Carbide 1/4-inch Strt Face
T3-BG490 Carbide 3/4-inch Vein Cutter
T3-BG490 Replacement Ball Bearing & Slinger for 472 & 473

294-793 T3-BG500A..................Each $102 64
One in shp ctn; wt ctn 11 1/2 lbs.
BENCH GRINDERS

Heavy gray iron base castings in modern design with mounting lugs for securing unit to a stand or a bench with bolts or lag screws. Equipped with extra heavy, adjustable, steel tool rests and wheel guards. Double shielded ball bearings which do not require further lubrication or adjustment. Pulley accommodates "V" or round belt and can be driven from below or any angle behind the Grinder. Finished in tu-tone porcelain hammertone enamel with bright plated trim.

Medium Heavy Duty

Bench Grinders

Bears—Double shielded ball bearings.
Base—Heavy gray iron, 4¾x6¾ inches.
Shaft—Diameter ¾ inch; length 11¾ inches; turned for ¾ inch arbor wheels. Center of shaft to base 4½ inches.
"V" or round belt pulley—2 inches.
Grinding Wheels—Vitrified, one medium and one coarse, 7x1x½ inches.

072-836 T13-86275 Each $42.03
One in ship ctn; wt each 26 lbs.

HAND TOOL GRINDERS

—BLUE GRASS—

Heavy gray iron one-piece gear case; finished in tu-tone porcelain hammertone enamel.
Machine cut helical gear and pinion; extra long bearings. Unbreakable steel handle; adjustable steel tool rest. Oversize handle grip. Equipped with high grade grinding wheel.

Grinding wheel 5x1x½ inches; wt each 6 lbs.
072-835 T13-86656 Each $13.96
072-843 T13-86666 Each 19.41
Grinding wheel 7x1x½ inches; wt each 10 lbs.
072-850 T13-86767 Each 20.45
One in ship ctn.

GRINDER HEADS

—BLUE GRASS—Streamlined

Heavy gray iron base 4x3¾ inches.
Finished in tu-tone porcelain hammertone enamel with bright plated trim.
Bearings—High speed babbitt, 1½ inches long.
Shaft—5¼x7½ inches, turned for ½-inch arbor wheels.
Pulley—2-inch "V" type. Center of shaft to base 5½ inches.
072-702 T13-86282 Each $11.20
One in shelf box; wt each 5½ lbs.

GRINDER HEADS

—BLUE GRASS—Bench Power Grinder Head

Massive built modernistic design, gray work shop enamel finish.
Adjustable nickel-plated tool rests.
Equipped with two self-closing oil cups and finished in tu-tone porcelain hammertone enamel with bright plated trim.
Pulley accommodates V-belt, or round belt driven from any direction.
Will take up to 6-inch grinding wheels.

Specifications
Bearings—High speed babbitt, 1½ inches long.
Base—5¼x1½ inches.
Shaft—Diameter ¾ inch; length 9 inches; turned for ¾-inch arbor wheels.
Center of shaft to base 5½ inches.
"V" or round belt pulley 2 inches.
Height over-all 6 inches.
072-710 T13-86-210 Each $13.99
One in shelf box; wt each 6½ lbs.

—BLUE GRASS—

Heavy gray iron one-piece gear case; finished in tu-tone porcelain hammertone enamel.
Machine cut helical gears and gears and pinion; extra long bearings. Unbreakable steel handle; adjustable steel tool rest.
Oversize handle grip.
Equipped with high grade grinding wheel.
Grinding wheel 4x3¼x1½ inches.

332-965 T13-86464 Each $10.58
One in shelf ctn; wt each 3 lbs.
GRINDING WHEELS

Aluminum oxide wheels.
Designed to fit grinders most commonly used in the home workshops, garages and by some industrial customers.
Each wheel has been speed tested, balanced and faced.
Each wheel is supplied with knockout bushings for arbor sizes: ½, ⅜, ⅝ and 1 inch.
Assortment includes the following:

1. T60-BG16F—Size wheel 4x½ x 1 in.
2. T60-BG16M—Size wheel 4x⅜ x 1 in.
3. T60-BG18F—Size wheel 4x⅝ x 1 in.
4. T60-BG18M—Size wheel 4x⅝ x 1 in.
5. T60-BG22F—Size wheel 5x⅜ x 1 in.
6. T60-BG22M—Size wheel 5x⅜ x 1 in.
7. T60-BG24F—Size wheel 5x⅝ x 1 in.
8. T60-BG24M—Size wheel 5x⅝ x 1 in.
9. T60-BG30F—Size wheel 6x⅜ x 1 in.
10. T60-BG30M—Size wheel 6x⅜ x 1 in.
11. T60-BG32F—Size wheel 6x⅝ x 1 in.
12. T60-BG32M—Size wheel 6x⅝ x 1 in.

459-529 T13-BG2000
One in ship ctn; wt ctn 30 lbs.

V-BELTS

—BLUE GRASS—FRACTIONAL HORSE POWER

For home, farm and shop machines. Quiet running, smooth performing and long wearing. Concave side—Belts grip the pulley evenly and do not slip—last longer because belt wear is distributed evenly over the whole sidewall surface.

Bias Cut Cover—Covered with a rubber-impregnated, fabric cover which is cut on a 45 degree bias. Can be wrapped tightly around the belt and prevents any foreign material from penetrating the inner core, yet leaves belt perfectly flexible for running over pulleys.

(Boxes Will Not Be Broken)
NYLON CHALK LINE

—BLUE GRASS—

Especially suited for carpentry and masonry work. Constructed from filament nylon and specially treated to hold knots securely. Lasts many times longer than cotton lines due to nylon's resistance to rot, abrasion, oil, grease, gasoline and water. Color is silvery white. Packaged in labeled tube with skin-tight film overwrap.

Safe working load is 1/5 listed breaking strength. Does not apply under exceptional conditions such as shock load, sustained load, knotting, etc.

Size 18; approx avg breaking strength 170 lbs; approx ft in tube 275; wt each 4 ozs.

FILES AND WOOD RASPS

Extra quality special file steel, cut with utmost precision on modern machinery and tempered by an exclusive process that leaves nothing to chance; no soft spots, no brittle spots, but uniform all over.

CHAIN SAW FILES—ROUND SMOOTH CUT

Designed for sharpening chain saw teeth with rounded edges.

**FILES**

**BLUE GRASS—14-INCH MAGICUT PLATERS SPECIAL HORSE RASP**

New tooth design is cut deeper to last longer and cut much faster than conventional Horse Rasps. Rasp cut is six teeth per row. Single cut on edges. Opposite side has Nicholson’s Unique Magicut file pattern of narrow chip breakers created by steep and angled serrations. This maximum cutting surface design gives rapid removal and smoother finish. Size 1 7/8x4 1/2 inch.

TWIST DRILLS
—BLUE GRASS—
High Speed—Straight Shank—Short Set

For Portable Use
These high speed drills are made with short flutes and short over-all length to obtain the maximum rigidity without sacrificing any of the cutting ability of these tools. This type of construction gives these drills many applications in portable drilling and sheet metal work.

One envelope in shelf box.

TWIST DRILLS
—BLUE GRASS—
High Speed—Straight Shank—General Purpose

Uniformity makes it ideal for multiple and automatic or numerically controlled machines.
Recommended for materials such as cast iron, steel, and steel forgings. Black oxide finish. Surface is specially treated for abrasion resistance and improved chip flow.

METAL DRILL SETS
—BLUE GRASS—

Drills are especially designed for use in sheet metal but also give good performance in other types of metal and in wood.

Easily centered and requiring a minimum of feed pressure.

They may be used in either portable electric drills or in drill presses.

The short, flute length, provides great rigidity, minimizing drill breakage, all bits have ¾-inch shank.

Set contains four high-speed drills: sizes 9/64, 5/32, 3/16, and 3/8 inch.

048-330 T3-BG655 Set $13 81
One set in shelf box; wt set 3½ lb.

**Electric Drill Bits**

- **Blue Grass**

12-inch Twist—Approximately 16 Inches Over-all

Designed for use in portable electric drills. Fine pitch screw point to compensate for high r.p.m. of electric drill.

Single twist, and single-cutter head. Completely heat-treated for extra strength, shanks are accurately machined.

**Power Bit Display Panels**

- **Blue Grass**

Masonite display board.

Yellow letters on blue header.

Power bits mounted on hanging pegs.

Each bit packaged in plastic package with space for pricing.

Suitable for pegboard hanging.

Display size 22x12 inches.

---

**Power Bit Sets**

- **Blue Grass**

Fits All Electric Drills 1/4 inch and Larger

Set includes 6 power bits as follows:

1. T3-BG7-1/4 - 1/4 inch
2. T3-BG7-5/32 - 5/32 inch
3. T3-BG7-3/32 - 3/32 inch
4. T3-BG7-7/64 - 7/64 inch
5. T3-BG7-1/8 - 1/8 inch
6. T3-BG7-1 - 1 inch

Attractive plastic roll.

635-359 T3-BG776R

Set $6.90

One set in shell box; wt set 3/4 lb.

---

**Electric Drill Bit Extensions**

- **Blue Grass**

Specially designed for power bits having 1/4-inch shanks.

Adds 12 inches to regular bit length.

Will follow 3/4-inch and larger size bits through hole.

Set screw holds bit securely.

Wrench supplied for tightening set screw.

Made of special high analysis tool steel.

Full polished finish.

Attractive self-selling hang-up card.

142-620 T3-BG7PBE

Each $1.73

6 in shelf box; wt box 3 lbs.
**BLUE GRASS POWER BIT MERCHANDISERS**

Drills are forged in one piece from special high analysis tool steel. Heat treated full length to give over-all strength. Shanks will not twist off. Hollow ground point bores faster and cleaner holes. Precision ground shanks. Cutting edge and point accurately ground to correct thickness and angle. Large size markings on both sides of head. Full polished over-all. Tips of bits coated clear. Each bit packed in Mylar package. Wire display rack 23 inches wide.

STAR DRILLS
—BLUE GRASS—

Blue Enamed Body and Red Enamed Cutting Tip

High grade octagon tool steel, carefully forged, hardened and tempered. Cutting edge is slightly oversize and of peculiar taper at the point. They can be resharpened without losing their original specified cutting size. Cutting lips shaped with the right bevel, which means fast cutting.

6 in shelf box; wt box 1 lb.

RENEWAL KITS—For T11-BG3400 Ratchets

553-024 T11-BG3401 Each $3.73

6 in shelf box.

$3/8" DRIVE FLEX RATCHETS

—BLUE GRASS—

Hot forged alloy steel, fully hardened.
Mirror bright polish finish on heavy chrome plate.
Oilproof, non-slip rubber grip, for harder pull with greater comfort.
Short handle swing. Less than 1½ inches at end of handle for ratcheting in tight places.
Small head—only 1½ inches diameter. Fits and works in tight places.
Free-swing 19-Inch handle. pivots over 90° in either direction from straight handle position, reducing number of extension changes required to clear obstacles of varying heights.
Works as a spinner in straight-up position.

576-678 T11-BG3428 Each $20.40

6 in shelf box; wt box 4½ lbs.

DIAGONAL CUTTING Pliers
—BLUE GRASS—ELECTRICIAN'S Pliers
Cushion-Grip Handles—With Side Cutters
Drop forged from alloy steel. These light diagonals are extremely useful tools. They have a good "feel" in the hand, balance nicely and their keen blades cut easily and cleanly. Each one is individually tested for strength and cutting ability on our specially designed testing machines. Polished head.
Length 6 inches.
175-943 T4-BG466-6.......................... Each $6.90
One in shelf box; wt each 3/4 lb.

—BLUE GRASS—
High Leverage—Cushion-Grip Handles
High leverage diagonal pliers with full-fashioned handles for easy cutting.
Length 7 inches.
059-758 T4-BG466-7—(Old No. T4-BG46-7).......................... Each $6.75
One in shelf box; wt each 3/4 lb.

—BLUE GRASS—ELECTRICIAN'S Pliers
Cushion-Grip Handles
Properly designed all-round diagonal cutting pliers with hand-honed cutting knives.
Length 5 inches.
059-766 T4-BG46-6—(Old No. T4-BG46-5)............................ Each $6.56
One in shelf box; wt each 3/4 lb.

LONG CHAIN NOSE Pliers
—BLUE GRASS—
Cushion-Grip Handles With Side Cutter
Side cutting pliers with spring-tempered nose. Drop forged from alloy steel with hand-honed cutting knives.
Length 6 inches.
059-998 T4-BG44-6—(Old No. T4-BG44-6).......................... Each $6.82
One in shelf box; wt each 3/4 lb.
Length 7 inches.
556-001 T4-BG44-7—(Old No. T4-BG44-7)............................ Each 97
One in shelf box; wt each 3/4 lb.

—BLUE GRASS—
Cushion-Grip Handles Without Side Cutter
Long chain nose pliers without a side cutter. 3/4-inch nose and deep serrated jaws.
Length 6 inches.
060-004 T4-BG455-6—(Old No. T4-BG45-6).......................... Each $5.49
One in shelf box; wt each 3/4 lb.

LONG NEEDLE NOSE Piers
—BLUE GRASS—
Cushion-Grip Handles—Without Side Cutters
Drop forged from alloy steel. In spite of the slenderness of its long nose, this tool has surprising gripping ability. Handles can be squeezed until the jaws bend and twist far from their normal shape, yet when pressure is released, they return to their original form. Each one individually tested for strength on our specially designed testing machines. Polished head.
Size 6. Length of nose 3 inches; point size 3/4x3/4 inch; length over-all 8 3/4 inches.
176-651 T4-BG633-6.......................... Each $6.56
One in shelf box; wt each 5 ozs.

CURVED NEEDLE NOSE Pliers
—BLUE GRASS—
Cushion-Grip Handles
Drop forged from alloy steel. The long, thin nose of this plier is bent at an angle which makes it very handy for working on machines where there are out-of-the-way corners into which it is necessary to reach. Alloy steel and careful tempering gives them a good grip. Jaws will not break off, even though sprung or twisted out of shape. They always return to normal when pressure is released. Each one is individually tested for strength on our specially designed testing machines. Polished head. Length 6 inches; point size 3/8x3/8 inch.
176-677 T4-BG833-6.......................... Each $7.65
One in shelf box; wt each 6 ozs.

LINEMAN'S SIDE CUTTING Pliers
—BLUE GRASS—Cushion-Grip Handles
An ideal tool for electrical work. Drop forged and skillfully tempered.
Length 7 inches.
556-209 T4-BG433-7—(Old No. T4-BG43-7).......................... Each $7.45
One in shelf box; wt each 1 lb.
Length 8 inches.
060-566 T4-BG433-8—(Old No. T4-BG43-8).......................... Each 8.70
One in shelf box; wt each 1 1/4 lbs.

COMBINATION SLIP JOINT Pliers
—BLUE GRASS—Cushion-Grip Handles
Standard type slip-joint pliers. Drop forged from a fine grade of steel.
Length 6 inches.
060-913 T4-BG499-6—(Old No. T4-BG49-6).......................... Each $3.22
One in shelf box; wt each 3/4 lb.
Length 8 inches.
060-921 T4-BG499-8—(Old No. T4-BG49-8).......................... Each 3.90
One in shelf box; wt each 3/4 lb.

EXTRA NUTS AND BOLTS
For T4-BG499-6 and T4-BG499-8 Combination Slip Joint Pliers.
431-692 T4-BG68EN8.......................... Each $0.64
Loose.
### Combination Slip Joint Pliers

**Blue Grass**
- Cushion-Grip Handles—Thin Nose
- Drop forged and skillfully tempered. Polished and chrome plated.

Hammer forged from high quality steel with highly polished bits and points.

Accurately hardened and tempered with a blue finish.

Packaged in an attractive pouch type kit with a transparent front, allowing tools to be well displayed.

Kit consists of one each of the following:
Cold Chisel, 5/8 inch
Pie Punch, 3/8 inch
Solid Punch, 1/4 inch
Center Punch, 5 inch

673-038 T5-BG8PK... Each $6.20
One set in shelf box; wt box 12 ozs.

SOLDERING GUN KITS

—BLUE GRASS—

Eight-piece kit includes T5-BGW820 dual heat soldering gun.
Three copper soldering tips, tip changing wrench, flux brush, soldering aid tool, coil of 60/40 rosin core solder—all contained in a sturdy, plastic carrying case. Also included is an illustrated “Soldering tips” manual of practical soldering procedures.

661-124 T5-BGW820K... Each $14.23
One in shp ctn; wt ctn 3 lbs.
SOLDERING GUNS
—BLUE GRASS—DUAL HEAT GUN
Fingertip selection of high or low heat output. High efficiency soldering tip of pure copper, patented. Light illuminates work. Compact, balanced pistol-grip design. "Soldering tips" booklet included. 100-140 watts, 120 volts, 60 cycles. AC only. Two-wire cord.

660-910 T5-BGW20 .................................................. Each $12.29
One in shelf box; wt box 2 1/2 lbs.

HI-TIN SOLDER
—BLUE GRASS—For Electronic Work
40% Tin—60% Lead Rosin Core
.093 diameter; ½-pound spool.
440-810 T5-BG21406 ........................................... Spool $4.21
50 spools in shp ctn; wt ctn 27 lbs.

For General Work
40% Tin—60% Lead Acid Core
.125 diameter; ½-pound spool.
440-727 T5-BG22406 ........................................... Spool $4.21
50 spools in shp ctn; wt ctn 27 lbs.

WIRE SOLDER
—BLUE GRASS—ACID CORE
Acid core solder can be used for all general soldering, except electrical connections.
No flux is needed when using this solder because it is self-contained in the solder.
40% Tin and 60% Lead One-Pound Spools

065-540 T5-BGACL .............................................. Lb $7.23
One spool in shelf box; wt box 1 lb.

ELECTRIC SOLDERING IRONS
—BLUE GRASS—Pencil Type

242-982 T5-BG425 .............................................. Each $3.85
One in shelf box; wt each 3 ozs.

—BLUE GRASS—Metal-protected, rugged-built heating elements. Solid copper tip, chrome barrel and chrome baffle plates. Comfortably cool, blue handle. Six-foot, heavy-duty neoprene rubber service cord with unbreakable rubber plug. 110 volts, AC-DC.

Diameter tip ⅛ inch; 40 watts.

PROPRIETARY PROPANE TORCH KITS

—BLUE GRASS—
Sturdy metal case contains: All brass pencil flame burner assembly, big brush burner head, flame spreader, soldering tip, spark lighter and propane fuel cylinder.

342-329 T3-BG77TK-4 Each $12.93
4 in ship ctn; wt ctn 17 lbs.
(Cartons Will Not Be Broken)

—BLUE GRASS—
Includes two fuel cylinders, burner assembly with standard pencil point burner tip, standard brush flame tip, and sturdy steel tool chest, large enough to hold other tools.

282-061 T3-BG71TB Each $13.51
One in shelf box; 6 in ship ctn; wt ctn 36 lbs.

342-592 T3-BG71TB-4 Each $13.51
4 in ship ctn; wt ctn 24 lbs.
(Cartons Will Not Be Broken)

DISPOSABLE PROPANE FUEL CYLINDERS
—BLUE GRASS—
Contains 14.7 ounces of liquified propane gas. Fits all popular makes of torches, lanterns and stoves.

Standard equipment on T3-BGIT, T3-BG3-PB, T3-BG77TK and T3-BG71TB.

343-806 T3-BG2C-6 Each $1.76
One in shelf box; 12 in ship ctn; wt ctn 24 lbs.

343-335 T3BG5ST-4 Each $14.04
4 in ship ctn; wt ctn 14 lbs.
(Cartons Will Not Be Broken)

—BLUE GRASS—PENCIL BURNER
For T3-BG5ST Trig-R-Trol Torch
561-357 T3-BG6P Each $5.10
One in shelf box.

—BLUE GRASS—ORIFICE
For T3-BG5ST Trig-R-Trol Torch
561-977 T3-BG21-0R Each $0.88
One in envelope; 12 in shelf box.

TRIG-R-TROL TORCHES
—BLUE GRASS—
A trigger action torch with two separate controls.
Precision engineering allows fuel-saving economy with controlled pilot flame and controlled working flame.
The trigger provides instant action from pilot control to preset flame level or an On-Off control adjusts the flame to your job.

343-335 T3BG5ST-4 Each $14.04
4 in ship ctn; wt ctn 14 lbs.
(Cartons Will Not Be Broken)

—BLUE GRASS—PENCIL BURNER
For T3-BG5ST Trig-R-Trol Torch
561-357 T3-BG6P Each $5.10
One in shelf box.

—BLUE GRASS—ORIFICE
For T3-BG5ST Trig-R-Trol Torch
561-977 T3-BG21-0R Each $0.88
One in envelope; 12 in shelf box.

PROPRIETARY PROPANE TORCH ACCESSORY CENTERS
